Sign up on your phone! [www.moorlandspta.org/join](http://www.moorlandspta.org/join)

## Enhancing our children's school experience

PTA is responsible for organizing events such as field trips, assemblies, science fair, and social events like movie and bingo nights. We also provide support to the school staff for additional classroom supplies and PE equipment.

**Without members there would be no PTA to provide these things.**

## Membership ≠ Volunteering

Membership is showing support for your child and their schooling. There is no obligation to attend any meetings or volunteer.

## Anyone can join!

(anyone over 18 years old)

All family and friends can join our PTA showing support for your child, including, but not limited to Mom, Dad, Grandma, Grandpa, Neighbors, Family Friends, etc. There are no obligations to volunteer or attend PTA meetings.

## Greater number of Members = Bigger voice in legislature

The more members we have the more votes we have at the state PTA conference that influence state legislation. Our PTA representatives vote on our members' behalf on important issues that reflect the interest of our members.

## Membership Benefits and Discounts

With membership comes discounts from many companies that are updated/change throughout the year. These can easily recoup your membership dues! (Details on how to access these discounts and other benefits will be included in your welcome email that you will receive once signed up.)

### Examples:

FedEx office: \$0.04 b&w copies, \$0.39 color copies, 15% off production services

Great Wolf Lodge: 30% off room rates

Discounted Tickets for select Seattle Storm Basketball or UW Football games
